Leavey Library - an early example

Operating 10 years
NOTICE: The USA Patriot Act (the “Patriot Act”), promulgated on October 26, 2001 in response to the events of September 11th, requires that the University offer federal agents, if requested pursuant to a valid order, additional access to, among other items, library patron records. Additionally, the Patriot Act may also prohibit the University from disclosing to a library patron that they are currently the subject of an investigation by federal agents.
